

Knowledge Mat: Textiles (Puppets)

How does this link to GROW?

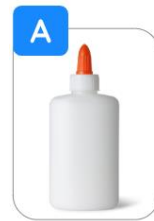

R: embrace new challenges and overcome them

Subject Specific Vocabulary:

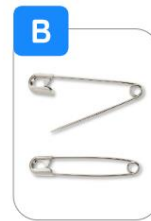

fabric	Soft and flexible material that is used to make something.
design	A plan of the product you will build or create.
template	A pattern or stencil used as a guide to support the product being made.
decorate	Add something to the product you are making to make it look better.

Key knowledge:

❖ A joining technique is a way of connecting two pieces of material together, e.g.

glue

safety pins

staples

❖ Hand puppets are made to fit around the size of your hand. They can be decorated by adding buttons, ribbon, string, sequins and other items to make them look more appealing.

Books you might like:

What I've learnt previously:

Threading and weaving techniques using various materials and objects.

This will help me to:

Further develop my ability to join a range of materials using different techniques.
