

How does this link to GROW?

W: To build respect for how countries share and trade in order to help me to become a more knowledgeable global citizen.

Subject Specific Vocabulary

continent	a large area of land with lots of countries inside of it
country	land that is controlled by a single government
city	a large settlement, chosen by the government or monarch, often with a cathedral
Europe	the continent that the UK is a part of
trade	buying and selling goods

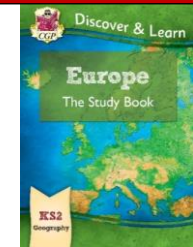

Nearly half of the UK's trade is with other countries in Europe.

Key knowledge:

Country	Capital City
Russia	Moscow
Spain	Madrid
France	Paris
Italy	Rome
Germany	Berlin
Greece	Athens

Books you might like:

What I've learnt previously:

- Locating UK countries and their capital cities on a map.
- Naming and locating the continents and oceans of the world.
- Trade links in ancient civilisations in history.
- The difference between human and physical features.

This will help me to...

- Locate the world's countries using maps to focus on Europe.
- Describe and understand key aspects of human geography, including: trade links, and the distribution of natural resources including energy, food, minerals and water
