Things Good Spellers Do

- Say the word slowly and listen to the sounds.
- Think about other words with the same/similar letter patterns.
- Break the word into parts (chunking).
- Break the word into syllables.
- Find smaller words within bigger words.
- Highlight the 'tricky' part.
- Think about the root word and then add prefixes or suffixes.
- Use memory tricks to help (mnemonics).
- Remember taught spelling rules.
- Learn spelling lists.
- Look at the word to check it looks right.
- Say the word how it is spelt.
