*Wed 27<sup>th</sup> March*

▼ This is a great opportunity for the children to buy someone special a gift they have chosen themselves. ▼

**Each gift costs £2 and will be gift wrapped.**

No limit to the number of gifts a child can purchase.

*Please support this event so we can continue to raise money for the remaining interactive whiteboards and outdoor equipment for all our children to enjoy.*

Please send money in to school on the morning of the event in a named envelope.

Presents sadly cannot be reserved.

This event will be held within school time so only helpers are able to stay. Please contact a member of F.O.R.C.E.S. if you would like to volunteer at this event (or contact via the Facebook page).
