

# Sensational Sports

Every week we have different sports. On Monday we have a Zumba lesson for girls and boys we learn new dances and we play loads of games. Zumba is instructed by Vicky Towey and Mrs Hirst. On Tuesday we have Judo which is instructed by Dean and Netball which is instructed by Mrs Kristian. In Judo we play games and every week we learn new moves and we learn 3 different pin downs. In netball we learn new skills, play loads of passing games and have matches. On Wednesday we have football which is instructed by Mr Banister who is also our PE teacher. In football we do penalty shoot out, play lots of games, practise skills and play matches. On Friday we do glee which is instructed by Louise, we do acting, singing and dancing we also play lots of games.

We had a full week of Science...

Read inside for more information

Science is a important subject for all schools to learn! Without science we wouldn't have medicines to make us better. Here's a quote based on our science week:

"I enjoyed Science week because you could do lots of fun experiments" says Faith.

This year for world book day we could dress up as our favourite book characters, all of the school had an amazing turn out, the costumes looked amazing. The money raised has gone to enhance the school class libraries. Here is a quote from a child from our school:

"World book day is a great time to celebrate your favourite book!" says Scarlet.

The Smiler ride in Alton Towers has opened for the first time since it crashed

There has been some super fast cup stacking, a beach has been made just for dogs and a baby kangaroo has been adopted by a police officer.

## SUMMER 1 TERM

**What to look forward to in the next term.**

The year 2's will be going on a residential trip to Burwardsley.

Smile for the camera as John Hunt Photography will be taking photos of you and your classmates on the 6th of May 2016.

Also, the school FORCES will be holding a family night for everyone to enjoy.

Get your disco shoes on because on the 20th of May 2016 our school are holding both an Infant and Junior disco and everyone is invited!

Now, this robot may look normal but actually he can write words up to 40 letters!

The world's smallest penguins are being protected from foxes by a group of specially trained dogs.

Two wild grey seal pups born in Norfolk last year are confirmed as the first recorded twins in the world.

## School Council

In school council we are...

Holding a clinic to help children when they are going through hard times such as getting bullied or having trouble at home.

We are raising money for sports relief by:

- Coming in in your favourite sporting kit
- Mini obstacle course outside on the junior play ground.

Hopefully this will help raise money for charity.

Hopefully the clinic will help children improve their problems.

By Freya Watterson and Phoebe Rose-Taylor

Our Year 5 and 6 choir went to YOUNG VOICES!  
We all had so much fun. We even learnt cool dance moves

Erin forester Quote

"I found Young voice really fun because I was with my friends and all the parents joined in which was really funny.

## EASTER PLAY

The year 5 children are performing an Easter play and our main parts are...

Jesus : Ben Gilbert

Mary: Imogen Briers

Mary Magdalene: Olivia Allman

Peter: Luke Marsh

And many more

WORLD  
**BOOK  
DAY**  
3 MARCH 2016

Our world book day was a fantastic turn out everybody looked brilliant! We had Matilda's, Harry potter characters and many more even a few Mary Poppins. The whole school focused on a book called Tuesday ( which was Quite funny)

The mothers day shop was a great success and so was the pancake flip. For the pancake flip FORCES raised £780

## Rainford CE Primary School does Sport Relief

### What we did?

This year our school raised money by doing a 6 station sports event . We also came in sport clothes and paid one pound towards sport relief.

Many thanks to Mr Atrill and the School Council for organising this fantastic event.

We Raised...

£271.16

This is what our school thought...

What did you enjoy?

Rebecca S : I loved the Speed Bounce station.

What did you wear?

Amelie: I wore tracksuit bottoms and a top.

Which station did you enjoy the most?

John: The cross bar challenge.

## SPORT RELIEF

### Date

Sport relief is on the 18-20 March 2016 so come along and help raise money for those in need.

### When did Sport Relief start?

Sport relief started in 2002 and takes place every two years alternating with red nose day.

### Who does Sport Relief help?

Sport Relief helps the people in need both in this country and around the world.

### How is money raised?

To raise money for sport relief you must do some sort of sport (E.G. run, swim or cycle) or bake. Collect sponsorship money from people in your street, in your family and your friends and send it to Sport Relief.

# THE TERM'S BEST PICTURES

20th of January

Rainford CE Primary, school hall.

Year 1 and 2 nature walk

Raindrops ,Class 1 and 2 went to reds cafe

10th February 2016

Raindrops, Class 1 and Class 2

19th March 2016

FORCES Easter Trail

22nd March 2016

Easter Service

## World Book Day

### What people dressed up as

#### Y3

James B: James went as Luke Skywalker because he loves star wars

Maisy C: Maisy went as Darth Vader because she adores star wars

#### Y4

Lewis Y : went as Alex Rider from the book Alex Rider

#### Y6

Amelia W: She went as Madeline Hatter from ever after high

Oliver F: He went as Oliver Twist from the book Oliver Twist because he likes the name.

What is world book day about?

World book day is a enjoyable day to celebrate books and their authors. To celebrate this wonderful occasion we dressed up as our favourite book character. World book day is mainly for illustrators and writers to celebrate their book . Every year BBC Radio 2 does a 500 word competition for children the age limit is 10 –13 and 5-9. We know that Holly H and Phoebe M have entered the 500 word competition.

At the Easter trail everyone had lots of fun. There were two types of quizzes, an easy one for younger children and a hard one for older children. There was 15 questions, all about different films and books. You also had to find 10 bunnies and make sure you wrote down all of the names of them as you went along the trail. At the end there was some chocolate eggs, so as you finished you could get an Easter egg for taking part.

On the playground there was toys for you to play with, a car to paint. And a book swap. You could also buy drinks and food.

Rachel said “It was very good.”

Miss Stevens said , very enthusiastically “The level of challenge was very good since there were 2 levels which was very appropriate.”

In science activity week we all did a few experiments. Some classes cleaned coins with lots of drinks and other liquids. If you did any other experiments, we hope you learnt something new.

Science is a topic that many children enjoy and we would love it if more pupils in school were fond of it. This is why we have science week as it is good for a child's knowledge.

## Year 1 and 2

In years 1 and 2 did an experiment to see which seeds grew in the best in the best condition. These are the conditions the plants were put in: light, water and soil. Light, water and no soil. No light, water and soil and no water, light and soil. We are still waiting for the outcome of the experiment.

## Years 3 and 4

In class 6,7 and 8 we did an experiment to see which liquid cleans the coin the best. The liquids we used are: washing up liquid and water, water, coke and white wine vinegar and salt. We do not properly know which liquid cleaned the coin because we did not do a fair test. We did not do a fair test because before we started the experiment some coins were cleaner than others therefore we did not know the real result.

## Years 5 and 6

Year 5 and 6 did an experiment to find the electric current in the citrus fruit.

Jess: we wrote up a formal explanation.

Lily: we did an experiment to detect if there was an electric current in the citrus fruit (lemon, lime, orange.)

Sam: We wrote up our plan of how to find the amount of the electric

## FACT BOX

Humans get a little taller in space because there is no gravity pulling them down

## February Book Review

# Out of the ashes!!

*Out of the ashes is a great book written by Michael Morpurgo. It is about a girl who lives on a farm, but sadly most of the animals got foot and mouth disease which meant they had to get shot and burned. Most of his stories are usually quite sad but have a happy ending, this is just one of them. Out of the ashes was told to us by our old teacher Mr.Jarvis who told it us with great passion! If you're the type of person who likes stories with a sad start but a very happy ending, then this is a great book for you! This book is really quite amazing,. If you read books at home then you*

by Kate Barker, class 9 year 5

## March Book Review

### The Highway Rat

by Julia Donaldson

#### What is it about?

It is about a vicious rat who robs and steals other travellers food. He does it for his own good and he doesn't even want or need any of it. He keeps getting fatter and fatter. In the end a duck tricks him into a cave and he ends up in a cake shop. He changes because he is sad about what he has done.

#### Who is it for?

Mostly infants but we think the Juniors would find it funny.

What we like about it.

He got fatter and fatter. (Sarah) The duck tricked him. (Millie) I like that he learnt his lesson. (Lexie)

#### What we don't like.

I didn't like him stealing things. (Lexie) I am horrified that he steals things from other people especially when they were all starving. (Millie) The rat was very naughty because he was so mean! (Sarah)

By Millie Owen, Lexie Lawson and Sarah Thomas Class 3

## Questions:

1. Name the main character in the book called the spot on my bum?

Answer:.....

2. What is your favourite page in this newspaper?

Answer:.....

.....

## Dot to dot !
